

# Bright Futures Specialty Add-Ons

## *Student Success*

Our customized Student Success package was created for high school seniors who are transitioning to the next phase of their journey, whether it be college, a gap year, or an internship. The package offers necessities such as the formation of academic/financial goals and the corresponding skills and information needed to achieve these goals. Every student will receive a customized Student Success packet. The package also includes two hours of consulting which can be used for:

- College Curriculum Selection/Scheduling
  - Organizational/Productivity Support
  - General Advisement

**\$500**

## *College Check-up*

Our College Check-Up Package is a great option for college students, especially freshmen. We believe students can benefit from continued support and advisement from someone who has counseled and built a relationship with the student prior to college, and is therefore familiar with their particular objectives and abilities. This package includes 3 hours of consulting which can be used for:

- College Curriculum Selection/Scheduling
- Internship Interview, Resume, & Application Support
- Graduate or Professional School Application & Personal Statement

**\$300**

## *Money for College*

Focused on saving money on college through scholarships and qualifying for more aid on FAFSA and CSS Profile. Clients receive customized recommendations based on their circumstances, a written report of savings recommendations, and an hour in-person consultation. The six-hour package includes intensive help with FAFSA and CSS, financial aid evaluation, appeal letters, and money-saving strategies.
